Dear Sir:-

As I wish to resign my membership
in the Society, will you kindly notify the
proper Committee, and much oblige

Yours very truly,

September 15th, 1915.

Mr. Zachary T. Hollingsworth,
141 Milk Street,
Boston, Mass.

Dear Sir:-

Your letter of September 14th, addressed to Mr. Charles Pryer, our former Treasurer, has just been received.

I note with great regret that you desire to resign your membership in the Society, and I will bring the matter to the attention of the Council at its next meeting, which will probably be sometime in October. Your dues are paid to the end of the current year in January next so that your resignation will take effect at that time.

In the meantime I would like to suggest for your consideration that, if you still feel any interest in the Society or its work, you might, instead of leaving us altogether, change your membership to an associate membership. The dues of the associate members are but five dollars a year, and they receive the American Journal of Numismatics and have all the privileges of full members except the right to vote and hold office, which is of no great value to any one residing too far from New York to be able to attend frequent meetings.

You have been with us ten years, and we would be very sorry to lose you entirely. Should you decide to become an associate member, if you will notify me your name will be placed on the associate membership roll at the beginning of next year.

With kind regards, and hoping to receive a favorable reply in due course,
I am,

Very truly yours,

Secretary.

Dear Sir:-

I have your favor of yesterday and in reply would say
that I should be very glad to continue in the Society as an
associate member, as you suggest.

Dear Sir:-

I was very glad to get your letter of September 16th informing me that you will continue with us as an associate member. I will accordingly place your name on the associate membership roll at the beginning of the next year.

Very truly yours,

Secretary.

Dear Mr. Hollingsworth:-

The accompanying cheque, evidently through a slip of your pen, has been dated July 1922 when you palpably intended to write January. The Bank has sent it back to us. May I ask you to substitute another cheque.

Very truly yours,

Secretary.

Dear Mr. Hollingsworth:

As you know, it has been the Society's aim for many years to make its collection of Indian Peace medals the best in existence. Your generous and much appreciated assistance in the past emboldens us once more to address you on this subject.

The collection of the late W.W.C. Wilson, which is to be sold in November, contains a large number of Indian Peace medals of unusual interest and importance. Of these, about twenty are desired as additions toward perfecting the Society's collection. To the best of our knowledge, four of these medals are unique.

The desired pieces will probably sell for from fifty to five hundred dollars each, therefore the Society requires a sum of not less than three thousand dollars for the purchase.

The Council feels warranted in making an appeal to the members of the Society because of the exceptional nature of this opportunity.

We shall be very grateful indeed for any help you may give us at this time.

Very sincerely yours,

P.S. We hope to receive twenty contributions of One Hundred Dollars or more, the remainder to be made up by smaller gifts.
